WORK EXCELLENCE

The 90-Day Same Page Challenge

Improve How Work Gets Done.

Tackle a **real work challenge** while building the skills to lead lasting improvements. Apply the Work Excellence Method to one challenge in your area of responsibility through guided working sessions, practical assignments, coaching, and peer learning.

12	1 HR	$2,997
WEEKS	GUIDED SESSIONS	OR 3 PAYMENTS OF $999

Apply the **Work Excellence Method** to your challenge through guided sessions, practical assignments, coaching, and peer learning.

WHAT YOU WILL BUILD

01	**Work Direction**	Define your purpose, priorities, and what you want to accomplish.
02	**Work System**	Organize how work gets done and clarify key activities and responsibilities.
03	**Work Measurement**	Establish meaningful measures to understand performance and identify gaps.
04	**Work Improvement**	Identify opportunities, solve problems, and improve results.
05	**Work Routine**	Build a consistent practice to review progress, make decisions, and sustain improvements.

CHOOSE A CHALLENGE THAT MATTERS TO YOU

- **HR:** Onboarding, succession planning
- **Operations:** Workflow delays, consistency
- **Sales:** Pipeline visibility, forecasting

In another department? The method can be applied wherever work needs improvement.
